

2026 JUNIOR GOLF

FOR KIDS AGES 6+

JUNE 17TH - AUGUST 12TH

At Old Hickory, we believe a passion for golf starts early. Our goal for all golfers - especially our juniors - is simple: enjoy the game. Our Junior Program creates opportunities for young players to learn, grow and play in a fun supportive environment. The skills developed on the course extend far beyond golf, offering lessons that carry into all areas of life. We look forward to partnering with you to share the game and these valuable experiences with your child(ren).
