

Community Partner,

On June 12, 2024, Old Hickory Golf Club will again be the host site for the annual Pink Ribbon Classic – Ladies Golf Invitational. This event is expected to attract more than 144 ladies from Dodge County and the surrounding area who are eager to raise awareness and resources in the fight against breast cancer. The proceeds from this event, will benefit breast cancer research being done at the University of Wisconsin Carbone Cancer Center in Madison. In addition, a portion of the proceeds will also be donated to the Beaver Dam Community Hospital Foundation in support of breast health services locally.

Breast cancer is the most common cancer in women, representing about 12% of all new cancer cases annually. Every 14 seconds, somewhere in the world, a woman is diagnosed with breast cancer. Early detection; through mammograms, increased breast cancer awareness and improved treatments are helping reduce the mortality of breast cancer patients.

In the past 18 years, the Pink Ribbon Classic has raised approximately \$578,000.00 in the fight against breast cancer. We are asking for your help supporting this important fight. We encourage you or your business to consider participating in this event through sponsorship, donation of an auction item, or making a cash contribution directly to the cause. Details on these amazing opportunities are included, and we are humbled by your selfless contributions!

It is our hope that you will help support our commitment to the health and well-being of women everywhere. On behalf of the Pink Ribbon Classic Committee, thank you for your consideration.
